

Website equality and diversity questionnaire

Are you satisfied with the efforts we are making to promote equality of opportunity for different groups?

- Not at all Partly Mostly Completely

Are there any things we are currently doing as a College that create barriers or difficulties for any racial groups or for those who have an impairment or disability?

.....
.....
.....
.....

What else could we do as a College to promote equality of opportunity for different racial groups and those who have an impairment or disability?

.....
.....
.....
.....

Is there anything specific you would like to see included in our race equality action plan or our Disability Equality Scheme?
