

# THE WONDERFUL WORLD OF HERBS

## CHERRY TREE NURSERY

OFF THE ROUNDABOUT, NEW ROAD, NORTHBOURNE

Learn about the Wonderful World of Herbs from  
**DIANA GUY, A BBC GARDENER OF THE YEAR**

The ancient world of herbs is fascinating. They are an amazing group of plants woven into myths and stories yet they are still relevant in our modern world and as popular as ever.

This new two-day course will look at the history of herbs and their place in today's gardens. Diana will show how to set up various styles of herb gardens also how to integrate them into garden borders.

The course will cover the main groups of herbs used today, how to propagate them and how to use them. There will be practical sessions with the opportunity to take home cuttings and divisions.

Please bring a packed lunch, however tea and coffee are available at Cherry Tree Nursery where a selection of herbs will be on sale.

**Cost £35**
