

SPRING INTO SUMMER

CHERRY TREE NURSERY

OFF THE ROUNDABOUT, NEW ROAD, NORTHBOURNE

Learn how to make the most of your summer garden from
DIANA GUY, A BBC GARDENER OF THE YEAR

Building on a the very popular course 'Turning Over A new Leaf' held last Autumn Diana now sets out to show you how to make the most of the summer garden. Whether revamping a border or two, tackling the whole garden or simply extending general knowledge, Diana Guy's infectious enthusiasm will encourage and inspire gardeners of all abilities

The course covers seasonal tasks, plants combinations, themed borders and, essential for or penny-pinching times, practical sessions on how to propagate. There will be plant and seed swap sessions during the course and on 8th / 9th May a chance to visit to Diana's garden at Kitemoor Cottage, Manswood (as seen on Gardener's World) to see how 'phase two' progressed!
