Open Events

Open Events at The College

Next Open Event: Thursday 13th June, 4-8pm

Come along to our June Open Event; be inspired and get the career you want. At both sites you can visit Careers Advice and Student Support, also check the subject areas that will be at our [Poole Site](#) and [Bournemouth Site](#).

If you've applied to a course why not come along, speak to staff and meet students, get your questions answered and explore the facilities you'll be studying in.

Different subjects will be available at each site.
