

The Course

In brief...

The aim of this qualification is to introduce you to basic accounting and finance skills. You'll develop your skills in finance administration: double-entry bookkeeping, basic costing principles and purchase, sales and general ledgers.

As a standalone qualification, or as a first step towards the intermediate and advanced levels, it will allow you to move up to further study in accountancy and finance.

ideal if you are new to finance or you want to brush up on your foundation knowledge and skills. Once you have completed the introductory level, you will be awarded the AAT Level 2 Certificate in Accounting.

What the Course Leads to

What courses can I do after this?

On successful completion of this course you will have the opportunity to progress onto the AAT Level 3 Diploma in Accounting.

What do I need to apply

To do this course you should have...

Although no formal qualifications are required to join this course applicants need to be at least 19 years of age and have good numeracy and literacy skills at level 1 (or above) that will compliment a career in accounting.
