

The Course

In brief...

The aim of this qualification is to enhance the skills developed in the AAT level 2. You'll master more complex financial processes, including final accounts for sole traders and partnerships, reports and returns and professional ethics.

As a standalone qualification, or as a first step towards the intermediate and advanced levels, it will allow you to move up to further study in accountancy and finance.

What the Course Leads to

What courses can I do after this?

On successful completion of this course, you will have the opportunity to progress onto the AAT Level 4 Diploma in Accounting.
