

## The Course

### In brief...

Studying this course will give you an overview of business specialisms such as entrepreneurship, human resources, and marketing as well as other business-related career subjects.

### Who is it for?

This course is suitable if you wish to have a career in a business especially those wishing to start up and run their own business. It will enable you to gain skills and an understanding of business procedures and why they are implemented.

## What the Course Leads to

### What courses can I do after this?

On successful completion of this course you could progress into employment or apprenticeship training in a wide variety of posts in industry and commerce. Alternatively you could progress to a Business or other Level 3 course, subject to interview.

### What jobs can I get?

The Bournemouth & Poole College is affiliated with many professional bodies in the area of Business, Finance and Administration. The skills and knowledge you will develop on this course are designed to meet the current demands of industry and commerce, and you will find that many of the skills are transferable and will have currency in a wide range of careers.

## What do I need to apply

### To do this course you should have...

You will require a minimum of 4 GCSEs at grades 9 - 3 (formerly A\*-D) which need to include maths and English. Alternatively, if you have successfully completed a relevant Level 1 qualification and the Level 1 Functional Skill in English and maths, you will be able to apply for this course.

### What about work experience?

You will participate in a work experience placement that is relevant to your studies as part of this course. The College will support and help find placement employers but you are encouraged to seek your own placement employer.
