

## The Course

### In brief...

An assessment of the individual's competence in gas safety related areas, specifically installation, exchange, disconnection, service, repair and commission of marine based LPG appliances and equipment.

This course is to test the knowledge and skills of gas operatives in accordance with the health and safety legislation and conformity with the European Standard EN45013.

### What the Course Leads to

### What courses can I do after this?

On completion of this assessment you will be able to apply to [Gas Safe](#) for registration subject to your current certification.

In addition you may wish to consider assessment and training where appropriate in:

- CKR1 (Cookers)
- DAH1 (Warm Air)
- CENWAT1 (Boilers/water heaters)
- HTR1 (Fires and wall heaters)
- MET1 (meters)
- HTRLP2 (LPG Appliances)

### What do I need to apply

### To do this course you should have...

To apply for this assessment you must satisfy the **BPEC criteria** and hold the CCLP1 or CoNGLP1.

You must provide information to the assessment centre regarding your gas industry experience and qualifications on the BPEC Application for Assessment form.
