

UAL L2 Diploma in Art and Design

2020/21

Inspiring Lives, Discovering Futures

The Course

In brief...

This course is designed to be both informative and enjoyable. You will learn a range of art and design skills to include drawing, painting and 2d process. You will also learn about the work of practicing artists. The course is aimed at students who have a real enthusiasm for art and design and who wish to improve their portfolio of artwork to progress onto a level 3 course.

What the Course Leads to

What courses can I do after this?

Course Progression:

Upon successful completion of the course you could progress onto the BTEC L3 Subsidiary Diploma in Art & Design which covers a range of specialist career paths all of which cover a further two years of study or to employment / further training in an art and design field. If over 18 and completing the BTEC L2 Diploma with Functional skills you could apply to the BTEC L3 Foundation Diploma in Art & Design which is a one year course.

Depending on your choices for progression to higher level courses some of the professions you might consider working and studying towards in the future are:

- Graphics
- Illustration
- Digital Media
- Textiles
- Fine Art
- Printmaking
- Sculpture
- Painting
- Photography
- Film Studies
- Fashion

What jobs can I get?

The Course is taught in the brand new million pound North Light Centre for Art and Design.

This new building has industry-standard Apple Mac suites, drawing and painting studios, specialist fashion and textiles studios and a photography studio. You will also have access to the Learning Resource Centre at North Road, which holds an extensive selection of art, design and photography books and IT facilities. There is also a Study Advice Centre for additional support with your course as well as an active Student Union programme offering a number of social events.

These facilities will support you in your future career progression in either worked-based training , progression to a higher course or employment .
