Careers in Hairdressing with Lee Stafford

Discover everything you ever wanted to know about working in the Hair industry!

In 2017, Bournemouth & Poole College teamed up with celebrity hairdresser Lee Stafford to bring you the only Lee Stafford hair training academy in the South West.

The academy is committed to making its students the most employable in the country. Lee's unique and innovative hair 'recipes', which are exclusive to Lee Stafford hair academies, reflect some of the most cutting-edge styles seen in salons across the UK.

Students gain exceptional skills in hair cutting, styling, colouring and barbering techniques. They train on real clients in our Flaunt Hair and Beauty salon and get to showcase their talents in competitions across the UK. When they finish their training, they have the knowledge and experience to land their dream job.

So don't miss this opportunity to meet Lee Stafford himself and ask those burning questions about working in the Hair industry!
