What are the entry requirements of an Apprenticeship?

Different Apprenticeships have different entry requirements. However the most important requirements are that:

- You must be living in England and not taking part in full-time education.
- You must be aged 16 or over.
- If you took your GCSEs more than five years ago and didn't gain a top grade (A or A*), or you don't have good GCSE grades in Maths and English you will need to take a literacy and numeracy test.
