

Career Path

Thinking about your career - at The Bournemouth & Poole College we know that getting a good qualification is only part of the story. It's what it leads to that's really important. That's why we invest heavily in improving your chances of progressing - last year 96% of our students either got a job or moved onto higher level study.

Career Path, our easy-to-use online career service, is a great tool which can help you to plan your future. It gives you fast and free access to information about hundreds of careers, allowing you to make informed decisions at the touch of a button.

Understand the qualifications you might need to get started in your chosen career, find out how much you could earn once qualified; learn about the local job market and how many vacancies there are expected to be in the next few years.

Anyone can use Career Path, whether you are one of our students or not. Just complete and submit the registration form, and we'll send you an email with the link you need to get started.
