Wednesday, 12 August 2020

Bournemouth & Poole College is delighted to announce that it's been ranked number one for its English and Maths provision.

Out of 162 colleges across the country, Bournemouth & Poole College came out on top in the National Achievement Rate Table for its GCSE English and Maths- scoring 14% above the national average! Produced annually, the latest figures cover education and training for 16-18-year olds in the academic year of 2018-19.

Tracey Griffin, Assistant Principal at the College said: "I am so proud of my English and Maths teaching team and delighted that so many of our students have been so successful in their GCSEs with us. Securing successful English and Maths results opens up so many options for students, from employment to further study."

Students who study with Bournemouth & Poole College get access to the best support, both academically and personally. Our staff are dedicated to ensuring that all our students reach their goals, and we're here to support them every step of the way.
