[Home](#) > Bournemouth & Poole College shine in National Student Survey

Wednesday, 12 August 2020

Results of the 2019/20 National Student Survey are in, and Bournemouth & Poole College exceeded the national average! With an overall satisfaction of over 84%, we're delighted that our students are getting the most out of their time at the College.

The National Student Survey gives students the opportunity to provide honest feedback about university/college. The survey gathers information about their time in Higher Education, from what the teaching and learning support has been like to the community aspects of their studies.

As well as achieving above the national average in overall satisfaction, Bournemouth & Poole College also excelled in other areas. With 86% of students saying they found their course intellectually stimulating, 87% found that good advice was available when they needed to make study choices and 92% saying their course has provided them with opportunities to apply what they have learnt.

Bournemouth & Poole College are here to help you kick-start your future, offering a range of Higher Education courses which could suit you! From Higher National Certificates (HNC) and Higher National Diplomas (HND) to Foundation and Bachelor degrees. To find out more about the benefits of studying locally with Bournemouth & Poole College, check out our blog post.

Clearing is now open! Thousands of students enter clearing every year, with many discovering the best options for them and their future careers. Our courses will provide you with the skills and knowledge you need to succeed. Call our Clearing helpline on 01202 205339 or visit [thecollege.co.uk/he](https://www.thecollege.co.uk/he)

This year, we are offering students the chance to speak to our expert tutors and advisors online through our virtual Come to College event. Visit [thecollege.co.uk/come2college](https://www.thecollege.co.uk/come2college) for more information.
