Around 50 Level 1 and Level 2 Sport and Fitness students were put through their paces at a tough, but enjoyable camping trip to Buddens Farm in Wareham.

The residential which was organised as part of the course, gave the students the opportunity to build relationships with their peers through team building exercises and activities such as bush craft, kayaking and pioneering.

The two week trip demonstrated the students' great determination and resilience in tough and testing camping conditions.

Georgia Wright, Level 1 Sport student said "I had a great time, I loved camping and I am very proud of myself."

Ryan Bodman, Level 2 Sport student said "I liked the freedom and the responsibility we were given. I now know all of my class and feel comfortable starting my course."
