Thursday, 03 September 2020

Here's what you need to know

September is here and we're excited to have you joining us. Whether you're a current student returning or a new student just starting at the College, we're pleased to welcome you on site. But we're sure you will have lots of questions about what College will look like, how you'll be taught and what provisions we have in place.

We thought it would be useful to outline exactly what will happen and how we will be implementing our COVID-19 plan.

Important:

We ask that all students adhere to social distancing measures when travelling to and from college, during breaks and whilst on site. It's vitally important for our students, staff and wider community that these measures are respected and adhered to. On site, the only exception to this is for students within their academic bubbles, more information about this can be found in the student guidance above.
