Student Stories and Successes

What our Uniformed Public Services students think

"I instantly had a good feeling about the course the second I started. The lecturers made me feel so welcome and have been on hand to help me with assignments. The course has been amazing and we've been on some pretty fantastic trips including skiing in Italy! I definitely feel like I've made friends for life."

Maisy Stevens: Uniformed Public Services Student

"I have enjoyed every moment of the course and pushed myself to levels I never thought I'd be able to. I joined after Sixth Form where I didn't have the best experience, so I wondered how being at college would differ. However after only a couple of months I was achieving Distinctions and now have the grades to go to university! I'd highly recommend this course to anyone considering a career in the Uniformed Public Services."

Jess Cox: Uniformed Public Services Student

"As well as the trips abroad, I've really enjoyed the outdoor activities we've been involved in. I've just completed a water sport unit which included getting involved in activities such as kayaking, canoeing, sailing and so much more. It was very exciting! A highlight was probably when we went on a trip with the Marines. They gave us an insight into what they do and their training."

Jordan Kearn: Uniformed Public Services Student

I thoroughly enjoyed my time whilst studying Uniformed Public Services at college. My two years were filled with nonstop fun from the never ending activities such as sailing, rock climbing, paintballing and hiking to name a few. The lecturers are a true credit to the course and collectively they bring a variety of experience and knowledge from their past roles as ex-service men and women. Their commitment to the course to the lectures they teach and to the students is incredible. I recommend this course 110% for the experience, enjoyment and the action packed fun it has to offer.

Millie Platt: Former Uniformed Public Services Student

Employer testimonials

Hear from some of the employers we work with

"The students from The College were delightful to work with and put in an outstanding effort throughout their volunteering work experience. They would be welcome back anytime."
