

## Student Stories and Successes

### Hear what our music students have to say

"What really stuck out for me about the course at The College was the broad range of topics covered that aren't necessarily offered elsewhere. The opportunity to study score and film music and also production has been brilliant."

**Aimee Newsome-Stone: FdA Popular Music Student**

"I really love the approach to teaching. You get all the information you need, but at the same time you have greater control over your own learning."

**Becky Newton: Music student**

"The facilities are excellent, lessons are inspiring and make you want to learn more."

**Ross Mulhare: Music student**

"The teaching here is helping me achieve my life ambition."

**Mat Swales: Music Student**
