

Student Testimonials and Successes

Hear what our media students think

"I have really liked being in this College and the course. The teachers were all very helpful in making the units understandable. I have also learnt new skills that I will use in later life."

Adrienne Gough: Media student

"The course helped me learn new skills that could help later in life. My interpersonal skills have increased since my time at college. Two years of media was enough to prepare me for the workplace."

Charlie Lucas: Media student

"I have really enjoyed my time at college and have gained an array of skills that will benefit me in my future career path. The lecturers were also very helpful and encouraging."
