Pre Vocational Programme (PVP)

Meet new people and try exciting activities

The College's Pre-Vocational Programme could be exactly what you're looking for!

You'll get to take part in voluntary work and work experience, gain qualifications and independence and we're here to help you every step of the way. There is plenty of fun to be had here too! You will get the opportunity to take part in some fantastic activities such as bowling, laser quest, rock climbing and conservation.

The course begins with a starter school, a 3-day course where you will be invited to The College to meet your new classmates and have fun. We will work out your academic support needs as you take part in group activities and get to know The College.

During the course you will have the opportunity to try out vocational subjects. This will help you to learn new skills and meet new people. These might include:

- Cookery
- Art
- Basic animal care
- Fitness
- Working with cars and more!!
