Need some extra information?

The College's Entry & SLDD provision is well run, with the best possible care for all learners.

The curriculum is very lively and we make the most of the local community facilities. There is a great deal of support available including:

- Speech therapist
- Education psychologist
- College nurse
- Counsellors
- Learning coaches
- Travel training coordinator
- 1:1 support
- Specialist equipment
- Financial support (in some cases) to help with travel costs and food etc
