## Student Stories and Successes

### Hear what our students have to say

"I came on the course to assist me in my working life. I have been very impressed in how the tutors help and provide advice on a range of technical issues."

**Scott Wells: Electronics and Computer Engineering student**

"I have enjoyed the whole course; learning is fun, all my class want to do the same things as me but they all bring something different to the course."

**Georgia Forster-Symes: Electronics and Computer Engineering student**

"Awesome course - it teaches you amazing, and useful, skills for computers. It opens loads of options for University."

**Liam Rutherford: IT student**

"Most interesting course I have been on to date. Gives you access to most computing career paths and is an enjoyable experience."

**Mike Weetch: IT student**
