

What They Did Next

Art and Design stars!

Find out what The Bournemouth & Poole College's students have been up to since they studied with us
Caroline Watts

Winner of the annual College Art Prize!

Caroline studied the Foundation Art and Design Diploma with The College and received a Distinction for all her impressive work. She then progressed onto Arts University Bournemouth to study Make up for Media and Performance.

As part of the annual College Art Prize, Caroline won a £3,000 bursary which she used to start up her own business doing make up, prosthetic work and special effects make up.

Stuart Semple
British artist and curator

"Stuart Semple has enjoyed a successful artistic career spanning 13 years with over 15 international solo exhibitions, 40 group shows and major public art projects alongside numerous art fairs and biennials. For almost two decades he has been a trailblazer for his generation."
