

The BASE

The BASE: helping students to secure Apprenticeships Increase your chances of securing a job with The College!

Bournemouth & Poole College aims to help as many students as possible find the career opportunity they are looking for. The BASE is the college's in-house Apprenticeship service located at both the North Road and Lansdowne sites.

A free to use service for our students for while they are at The College and up to one year after they have left, The BASE's expert team help to find our students Apprenticeships, whether it's for while they're studying or once they have completed their qualifications.

How The BASE team can help prospective apprentices

- writing CVs and cover letters
- interview techniques, including mock interview practice
- job search skills
- finding Apprenticeship opportunities for both employers and candidates

Are you an employer looking to fill a vacancy?

Free recruitment service for employers!

By working closely with you to understand exactly what they are looking for, we can help identify an interview shortlist of qualified candidates.
