A bespoke experience in a unique setting - be part of something amazing!

Our ethos

Our newly rebranded salons at our Lansdowne site in Bournemouth is working towards an ethical and environmentally sustainable way of working and training. We are part of the [Green Salon Collective](#) and as many of our products as possible, including hair and chemicals are zero to landfill. The impact we have on the environment is at the heart of our ethos.

Experience the salon

Book yourself in for a relaxing massage or a complete re-style with us and experience our bespoke commercial salons, luxurious products and highly skilled therapists and stylists.

Our salons offer an impressive range of treatments. Our trainee therapists and stylists are supervised by well-qualified tutors with many years' industry experience.

Our commercial and training salons are open during the week and we're sure you will find something to suit you, plus you'll be supporting our eager trainees and boosting their experience. And at a fraction of what you'd pay on the high street, you'll get excellent value for money too.
