Become a Homestay Host to Bournemouth & Poole College students

The College offers students homestay accommodation with Homestay Hosts across Bournemouth and Poole.

We welcome many students each year. Some of these students are from overseas and have travelled long distances to study in the UK. Our Homestay Hosts are required to offer students bed, breakfast and a hot evening meal Monday to Friday, and three meals a day at the weekend.

The length of time a student chooses to stay with a Homestay Host varies greatly - students may stay anywhere between two weeks to two years.

Students can stay in a single room or a twin room shared with one other student (twin rooms are available for group bookings only).
