Adult Skills

Do it for you...it's your future

It's never too late to learn and gaining a qualification can help you update your skills and give you an edge.

We offer a wealth of opportunities to people just like you.

Learn a new skill, change your career direction, move up the ladder or simply have fun with a hobby. No matter what your motivations for coming to college, we're sure you'll find a course to help you achieve your goals.

View our latest [Adult Skills Guide](#) to find out about our courses and if you're not sure about the different qualifications, you can find out about them [here](#).

It's all about you

Deciding what to study can seem daunting. How do you know which course is right for you? Well it depends on you, your commitments and what you'd like to achieve. You may want to go onto to do an Degree, but don't have the right qualifications, therefore you might want to consider an [Access to HE](#) course. You might even be looking to study one of our [Free Online Courses](#). Explore our Adult Skills pages to find out how we can help you. Don't forget, you can also view our [Adult Skills Guide](#) too.

There's more to us than just learning

It's not all about studying, because as a student you'll have access to some fantastic facilities too. You can also get [some 'you' time](#) in our beauty salons and gym, plus when you enrol as a student, you can get an [TOTUM NUS Extra card](#), which will give you lots of discounts.

What do you want to achieve? Click on the 'resources for you' links and discover how we can help you 'do it for you'!
