Free Courses for Adults

Get the skills and qualifications you need to give your life and career a boost.

You could be entitled to **free*** tuition fees at The College with the Level 2 and Level 3 Entitlement (* subject to the qualifications you already have.)

You may also be eligible for help from the Discretionary Learner Support Fund to cover some costs. This is means tested, for more information see the webpage for [Student Finance](#).

We have a specialist adult guidance team who will happy to talk you through what courses would be appropriate, returning to study, and give you information about learning grants.

To book a confidential appointment or for further information call The College helpline on **01202 205205**

NB. You will be asked to sign a self-declaration form confirming you are eligible for a grant.
