School Leavers

Choose The College and get the freedom to decide your future!

Take control and choose a course that's right for YOU.

Whether you want to take a course equivalent to A Levels and progress onto university, go straight into an apprenticeship so you can earn and learn, or study in a classroom while learning valuable work skills, we have something for everyone! We'll make sure you study a subject that you're passionate about, and then help you turn that passion into a career! We'll also treat you like an individual and tailor your learning style to you. Don't just take our word for it, see what our students say...

'It's not regimented like school. It's a professional environment where we're treated like adults' - Engineering student

'I've progressed towards my ideal career working in the forensic sector' - Science student

'It gave me the confidence to pursue my dream and the skills I need to make it a success' - Catering apprentice

'It's an awesome course, it teaches you amazing and useful skills' - Digital and Computing student

'There are a wide variety of exciting subjects and learning is lots of fun' - Early Years student

'It sets you up for life in the industry, I now tour the world with artists like Ed Sheeran!' - Performing Arts student

You'll be taught in state-of-the-art facilities by specialists who really care about their subjects. We also have award-winning Careers Advice and Student Support Teams who will help you through every step of your journey.

So what do we offer?

Don't worry...it's not all about work!

Although you're coming to our College to get qualified, it's not all about work. We have tons of other exciting things happening on campus so you won't want to miss a day! Have a look at what [student life](#) is like.

Come and see us

If you get your exam results in August and need some advice then pop into one of our [Come to College Days](#) where you can also apply for this September. If you'd like to explore our outstanding facilities, get expert careers advice and to meet staff, students and leading employers [Find out about our next Open Event](#).
