

I want to become an apprentice

Your Apprenticeship - Your Future

Get your career off the ground with an Apprenticeship

If you're looking for an exciting opportunity to combine gaining a nationally recognised qualification, earning a wage with on-the-job training, then an Apprenticeship could be for you!

Popular with employers, Apprenticeships have been around for hundreds of years. Even famous people including the chef [Jamie Oliver](#), Formula One engineer [Ross Brawn](#) and designer [Stella McCartney](#) all started their careers as apprentices. Could you be next?

We work with businesses across Dorset and the surrounding areas to deliver over [30 different Apprenticeships](#). Our apprentices are successful with 96% of them gaining employment or staying with their Apprenticeship employer, making us the [best place for your Apprenticeship](#). Not bad!

Plus with a wide range of [Apprenticeship vacancies](#), we already have employers who want to recruit people just like you.
