School Link

Helping your students to discover their future

The College's School Link, Annie, is here to support your pupils.

Annie likes to work closely with schools to help young people make informed decisions about their future.

We can visit your school to chat about further education options on offer at The College, give advice on how to apply, and help young learners to progress with their future.

The College works with schools in Bournemouth, Poole and the surrounding areas.

We are more than happy to discuss your requirements, and look forward to hearing from you. If you are a school leaver or parent please take a look at our advice and guidance area.

Please contact our Schools Link, Annie, to book any of our activities.
