Studying at The College

Qualifications with real job prospects

Everyone at The Bournemouth & Poole College understands a qualification is not the end of the journey

When we speak to employers about what they expect from a new recruit they invariably say they want someone with the right knowledge, skills, and 'work-ready' attitude; someone who will help their business grow.

We make it our job to ensure you leave us with the qualifications you need to get your career off the ground. It's why everything we do at The Bournemouth & Poole College ensures our students become qualified, find jobs, keep them and progress in their careers.
