A tailored Apprenticeship service

A dedicated team delivering a tailored Apprenticeship service

When we say we tailor our service to meet your needs, we mean it.

Our professional and experienced team will:

- Understand your requirements through an initial consultation.
- Work with you to develop a tailored Apprenticeship, including their job description and person specification.
- Pre-screen and manage applications; we will ensure only the best candidates are put forward for interview.
- Support you through [funding](#) applications, paperwork and administration.
- Continuous support for both you and your apprentice, ensuring the placement remains beneficial to both parties.

Do you have an [employee](#) who you think would benefit from an Apprenticeship? Talk to us and we can advise on the best solution depending on their eligibility.

Excellent choice of Apprenticeships available

Apprenticeships develop a motivated, skilled and qualified workforce, and businesses that offer them view them as beneficial to their long-term development. According to the British Chambers of Commerce, most employ an apprentice to improve the skills base of their business.

The College offers over 30 different Apprenticeship subjects, in a wide range of sectors, covering traditional trades such as [plumbing](#) and [bricklaying](#), through to emerging roles in [Digital](#).
