## The Apprenticeship Levy

### The Apprenticeship Levy - what it means for your business

#### We can help you understand the Government's Apprenticeship Levy

The Levy affects all businesses with an annual payroll in excess of £3m and requires them to pay a percentage fee of their Pay as You Earn (PAYE) wage bill.

As the largest Apprenticeship provider in Dorset, you can be assured that we have the extensive experience to ensure we give you the best advice and support through this significant change.
