Digital Skills Centre

Your gateway to the Digital Tech industries!

Looking for a digital, IT or software course? Look no further!

Our exciting new Digital Skills Centre not only offers Digital, IT and Software courses and [Apprenticeships](#) under one roof, it's also at the heart of Bournemouth's digital hub, the largest outside of London*.

The tech sector in our area is booming and in Bournemouth, the biggest employers are in visual effects, animation and cyber security. Across the UK, the digital sector is creating jobs twice as fast as the non-digital sector.*

Study with us and you will be mixing with like-minded people in a vibrant, inspiring and creative space. You'll be supported by high quality teaching, innovative thinking and practical activities.

Facilities:

- High tech IT equipment
- Incredible facilities that mirror a digital agency
- Creative brainstorming and break out spaces
- Excellent links to major digital and IT employers

Maybe you have plans to create your own start-up or you'd rather join an established digital company? All our courses will help you develop the digital knowledge you need to get ahead.

Once you finish your course or Apprenticeship it's possible you could land your first job in the area and then enjoy the fantastic work life balance that Bournemouth and Poole offers!
