

Careers Advice and Guidance

Expert careers advice and guidance

We will take the time to understand your ambitions, qualifications and skills to help you achieve your goals.

The College has a team of professionally qualified Careers Advisers who can support you with your career planning before, during and after you come to College.

If you are not sure which career, course or [Apprenticeship](#) to choose, they can help you look at the options and support you to make the right choice for you. They can support you to progress to the next level course within College, as well as help you to make decisions about your options after College such as, [Higher Education](#), [Apprenticeships](#) and starting your career.

The team is [Matrix](#) accredited which ensures the Careers Advice and Guidance you receive will be impartial covering the full range of options to meet your career development and planning.
