

## Careers Programme

### Getting the most out of your time at college

During your time at the college you will have access to a range of Careers Guidance and support activities that are delivered through the College's Careers Guidance Programme.

The programme is designed to help give you access to the right support and guidance at the right time. It will see you accessing information on everything from Apprenticeships and applying for jobs, through to curriculum related activities and career planning progression talks.

#### About the programme
