## Why choose us

### Why study a Degree Level course with us?

We work hard to offer you the best college experience possible. Whether it's our courses, the support we offer or the great value for money!

If you're considering a Degree Level qualification, then you're thinking about your future and where your aspirations can take you. We are fully committed to helping you into your dream career, developing your skills, experience and knowledge so you're successful in your chosen field.

#### Quality

Our Degree Level courses are high quality and achieve fantastic results. They're validated by leading universities and businesses and our college is recognised as an established provider of Higher Education by the [QAA](#) (Quality Assurance Agency).

#### Finding a job

Worrying about finding a job once you're qualified? Don't be! We work closely with over 2,000 businesses to keep our courses updated and relevant to fully prepare you with the experience and expertise employers are after. Our incredible student support team, outstanding facilities and specialist tutors ensure that you have everything you need to succeed.

#### Five facts about studying a Degree Level Course at our college:

1. Outstanding tutors and small class sizes mean you'll receive the best support
2. Fantastic links with over 2000 business
3. Work placement opportunities to put your learning to practice
4. On average save £3000 on university fees
5. Our degree courses are validated by leading universities and businesses

#### Student Voice

We believe it's essential for our students to tell us what they think about us. Whether it's about our facilities, the teaching or the [Students' Union](#), we want to know!

In return, we make sure that your comments are well received, acted upon and make a real difference to our college. We're constantly thinking of new ways to engage with our students to improve the way we do things and ultimately their experience with us.

Be empowered to have your say as a Student Ambassador. You'll assess the quality of the 'whole college' experience and to give all of our students a 'voice'. You could be involved with interviewing and choosing new college staff, helping to develop college strategies and assisting at open evenings.

Be the face of our students and be their representatives but most of all you'll have fun in your training and in projects.
