

Fees, funding and support

Investing in your future

Save up to £3,000 a year studying your Degree Level qualification at our college!

The changing climate of Degree Level tuition fees means that will need all the information to help you plan carefully. We will help you with that.

Fees

New Higher Education Students 2021-2022

- ▶ [Full-time Tuition Fees - UK and EU Students](#)

- ▶ [Full-time Tuition Fees - International students](#)

- ▶ [Part-Time Fees](#)

Please note all fees quoted are for tuition only unless stated otherwise. Fees are subject to annual review. Tuition Fees are generally paid to The College via Student Finance England, but may be paid by a lump sum or by instalments by the student directly.

Funding

Students applying for a Degree Level course should apply for their student loan directly through [Student Finance England](#)

Support

One of the great things about studying at our college is being able to access a wide range of support. Find out how we can help you by visiting our [Learning Support](#) pages

Living expenses

Getting an idea about how much College will cost and how to budget is an important part in the decision on your next steps. This handy [Living Expenses](#) leaflet is designed as a guide to help you budget during your first year of study

Got a question?
