## Business School

### Brief Summary

You'll benefit from our close relationships with local, national and international businesses and the expertise they put into our courses.

If you like the sound of gaining a highly regarded qualification that focuses on practical skills and knowledge, whilst improving your job prospects and gaining a platform for future study, then read on!

### Careers

As you'll gain experience in subjects as diverse as Business Law, IT, Accounting and Marketing, studying a Business and Management course could open doors in other sectors including Tourism, the Public Sectors, NHS and Education. Essentially you could work in any industry that incorporates any of these elements in running and managing their organisations.

### Facilities

Business is based at our historic Lansdowne site in Bournemouth. You'll have access to fantastic facilities and expert tutors to help progress your career.
