

The Course

In brief...

The College Choral Society maintains a friendly and informal approach to rehearsals while working towards quality performances. We present 4 or 5 concerts each year with a professional orchestra and soloists. Works recently performed have included Elgar's Dream of Gerontius, Verdi's Requiem and Haydn's Creation. At present the choir numbers 85 voices. Coffee and refreshments are served in the break each week and there is an annual dinner.

What the Course Leads to
