

The Course

In brief...

Most of your training will be directly linked to the career you have chosen, gaining practical experience in the workplace, backed up by the benefits of attending college one day a week.

As an apprentice you will gain valuable experience in a variety of routine business related activities.

Managers play an integral role in supporting organisational objectives through a wide range of functions, such as: planning, allocating and monitoring the work of a team, supporting team members, managing conflict, resolving problems, project management, agreeing budgets. Your exact duties will depend upon your employer.

The apprenticeship is aimed at existing supervisors or team leaders who can demonstrate real evidence of their competence in the workplace. Visit <http://www.managers.org.uk> to find out more about the Chartered Management Institute (CMI).

What the Course Leads to

What courses can I do after this?

You could progress to a Higher Apprenticeship in Leadership and Management.

What do I need to apply

To do this course you should have...

You will need to have a minimum of Mathematics and English GCSEs grade C or above (or equivalent) and you will need to demonstrate an interest in Management and Leadership.
