

Hairdressing - L3 Advanced Apprenticeship

2021/22

Inspiring Lives, Discovering Futures

The Course

In brief...

Apprenticeships are a popular choice for people looking for on-the-job training and the opportunity to gain nationally recognised qualifications whilst earning a wage. Most of your training will be directly linked to the career you have chosen, gaining practical experience in the workplace, backed up by attendance at college just one day a week.

An Advanced Apprenticeship in Hairdressing will give you valuable experience of a variety of hairdressing related activities. You will continue working in a salon environment where your duties could encompass many areas of hairdressing usually working as a junior stylist building on your hairdressing skills from NVQ 2 and gaining practical hairdressing experience in all areas. Your exact duties will depend upon your employer.

Where possible staff from College Apprenticeships Training will find you an employer and a place of work (although students who are already employed are welcome to apply if sponsored by their employer). Your offer of Apprenticeship training will be dependent upon work placements being available.

Apprenticeships are a great option for school leavers who want to get straight onto the career ladder. An Apprenticeship is equivalent to 5 GCSE's.
