

The Course

In brief...

If you love to dance, performing on stage, or dream of pursuing a career within the creative industries then this course is for you. This course is designed to expose you to all aspects of dance training. It will develop and challenge your technical and performance skills in range of dance styles. You will have many opportunities to showcase your acquired skills throughout two years, in a range of performance platforms. There are opportunities to participate in theatre visits and trips throughout your qualification including workshops with professional practitioners and surrounding universities to give you an insight to industry demands. In addition, you will gain the knowledge and understanding of industry related business skills. This course aims to develop you as an individual artist and lay the foundations in preparing you in your next steps. Employment within the industry not only depends on talent, but also a sense of determination to succeed. With both combined you'll be sure to go far.

What the Course Leads to

You will regularly have the opportunity to work on productions within our in-house theatre such as: narrative lead, showcases, cabaret, and musical theatre dance. You will also have the opportunity to perform externally in community projects to showcase skills acquired throughout the two years. In addition, you will learn about the production process and see and analyse theatre work in the Jellicoe theatre. Alongside performing and production you will gain the knowledge and understanding of industry related bus

You will study:

- Jazz
- contemporary
- Physical theatre
- Street
- Ballet
- Commercial
- Improvisation
- Choreographic principles
- Musical Theatre
- Health and Fitness
- Ensemble Singing
- Dance Industry business

During the course you will develop your ability to respond to dance, contemporary theatre and musical theatre shows by seeing regular performances in the Jellicoe theatre to improve your understanding of Social and cultural contexts of the performing and dance industry.

You should have a reasonable level of fitness and motivation is essential. There is considerable emphasis on group work. All students are expected to be committed to the group and to the discipline of rehearsal and performance.
