Improve your English and Maths

Gain the essential skills to help you succeed

Improving your English and Mathematics can open up a world of opportunities

English and Mathematics are the essential skills that will help you to succeed. You can gain new qualifications, help your children or grandchildren with their homework, even progress in your career.

Learn in Bournemouth or Poole

Based at our Lansdowne, Bournemouth and North Road, Poole sites and with flexible options to choose from, our courses are open to anyone and designed to give you the time and space to develop your knowledge and skills in these vital subjects. But don't think you'll be alone as we have lots of support to help you on your way, even if English is your second language.
