Art and Design facilities

The creative industries are one of Britain's leading growth areas and are worth £84 billion a year according to Government statistics. (Source: Design Week) From fine art and photography through to graphic design and fashion and textiles, our courses and facilities help students gain the vital skills and experience they need to progress into a career or onto university.

Facilities:

- Art studios
- Industry standard hardware and software
- Printmaking studio
- Photography studio
- Digital darkroom
- Fashion and textiles workshop
- Fine art studio
- Traditional wet photographic processing studio
- Ceramics studio
