

The Course

In brief...

This course is for people who are settled and living in the UK. It will improve your English skills for your work, study and daily life.

It covers all the main skills: speaking, listening, reading and writing as well as grammar and vocabulary.

Who is it for?

ESOL (English for Speakers of Other Languages) is aimed at non-native English Speakers who are settled and living in the UK. It is designed for people to learn English as a non-native (second/foreign) language.

**If you are an international student, please visit the International Section on our Website:*
<https://www.thecollege.co.uk/international/>

What the Course Leads to

What courses can I do after this?

Students are able to progress from Pre-Entry (PE) or Entry level (E1) English through to Level 2.

Students are also able to progress to main college courses after they have reached the required English level.

What do I need to apply

To do this course you should have...

No entry requirements. All prospective students take an English assessment to ensure they are placed at the right level.

ESOL - ESOL

Our ESOL courses are for people who have come to the UK to live or work and who are settled and living in the UK.

The focus is on improving your confidence in your own English ability to better prepare you for life in the UK. You will develop your spoken fluency to be able to communicate more clearly. You will also focus on developing your writing skills to be able to write emails, letters etc. You will also improve your ability to listen to and read English as well as increasing your vocabulary and accuracy.
