Monday, 23 September 2019

Bournemouth & Poole College students, Monta Paeglite and Nathan Davis, have won an electronics bundle including a 4K action camera and Bluetooth speaker, after entering the College's #BPColin competition this summer.

Students were tasked with taking the most creative 'summer holiday' themed photo of their #BPColin mascot toy over the summer break. The winners created a dedicated Instagram account for their mascot called [@thebpcolinfamily](#), and included animations which saw #BPColin getting married and even doing a skydive. The judges praised the students' creativity and enthusiasm for the project.

The College received more than 100 entries for the competition which saw #BPColin travel to as far as San Francisco.
