3 Sided Cube

3 Sided Cube are a mobile app development agency who create tech for good.

Based in Bournemouth they work with global clients pioneering disruptive technology. Their award-winning work on disaster preparedness and emergency apps has seen them work with organisations including the American (and International) Red Cross and the World Resource Institute.

They've had quite a bit of success, with over 30M downloads, across over 80 countries. Their apps have also been translated into 55 different languages.
