

The Course

In brief...

This is an exciting course for students aged 16-18 designed to give you the opportunity to try out different vocational routes whilst developing work, study and life skills.

Who is it for?

You can build your employability and study skills, and try different subjects to enable you to progress onto an apprenticeship, or to another course at The College to boost your job prospects.

What the Course Leads to

What courses can I do after this?

On successful completion you could progress onto a Level 2 course at The College, an Apprenticeship or into employment

What jobs can I get?

You will have access to lots of support, extra facilities and resources, such as our wellbeing team, libraries and study centres to help you get the most out of your learning.

What do I need to apply

To do this course you should have...

You will need to achieve GCSEs grades D-G including English and maths grades 3-1 (formerly D-G). Alternatively, successful completion of a Foundation Entry Level 3 qualification and have achieved at least Entry Level 3 Functional Skill in English and maths.

What about work experience?
